### PROVOKE ENTHUSIASM OF YOUR EMPLOYEE !

The objectives of team building are many: to energize the sales force, to thank a team, to launch a challenge. It's create a link within the team. We offer experiences !

Thanks to the environment and experiences that we can share, Ibiza is the perfect place to build and develop team spirit. Once the meeting objectives are defined, we will propose a detailed personalized program with different types of activities, such as: yacht or catamaran trips; water activities like paddle surf, Jet Ski, Flyboard, etc.; guided tours of the island, hiking routes, horseback riding, jeep safari, adventure games, treasure hunts, themed workshops and much more.

Professional and trained animators will join each activity to amuse the teams and help to develop connections and exchanges between all participants involved.

We propose the most elaborate team building programs of the island.

Each event is unique and responds perfectly to the specific objectives predetermined for the team. The program is carefully adapted to fit both the organization and the types of participants involved, and refined to fit the style and tone of the event.

We provide all of the additional Services you will need for your event.
